## From the Director

**Joel Butts**  
Executive Director

On behalf of our team and all our partners at Twelve3One Ministries, thank you for joining us on our journey and supporting us and our many ministry partners and friends. Without your encouragement and help, we really wouldn't have accomplished much. And together, we accomplished SO MUCH for the kingdom in 2024! You'll find more details in the following pages of this report as well as messages from our board and teammates. On our website you'll find helpful links to documents with more detail about our team and what our partners and friends say about us.

Our Mission and Purpose focus our efforts on impacting and changing generations – bringing an end to the spirit of Fatherlessness that separates people from our Father in Heaven. We accomplish this by coming alongside teammates and ministry leaders who are already doing great work serving people in their communities. We ask a simple question: *“How can we help?”*

### You helped REACH hundreds!

**A Quick Look at 2024.**  
Estimated

<b>Funds raised...</b>	<b>\$60k</b>
<b>Distributions...</b>	<b>\$54k</b>
<b>Distributions... /Month</b>	<b>\$5k</b>

Our ministry partners are zeroed in on helping people nearby like teens, elderly, shut-ins, IDPs, refugees, and neighbors with specific needs and include caring for them spiritually – showing them the love of God. Showing people you love them in addition to simply telling the story of Jesus has a profound and eternal impact. It has the power to change paradigms for generations. It is through them that we are able to minister to hundreds of people!

But we also go one step further. We journey in lockstep beside our dear friends in places like Ukraine encouraging them, comforting them, strengthening and supporting them in their walk of faith sometimes helping heal the broken fragments of not only their spiritual fatherlessness but mine as well.

I hope this report provides a snapshot of some of the things we accomplished, challenges we tackled, and people we supported and helped – all to work toward ending spiritual fatherlessness around the globe.

However, this work requires resources, prayer, financial support, and in-kind partners, teammates and board members. We need continual help to keep going. Monthly gifts help us plan and forecast. We need your support through monthly giving (in any amount) or by giving one-time gifts.

We're grateful that you think of us and want to join us. As always we carry you close to our hearts. We wish you all the best for 2025 and the years to come.

Peace and Grace,  
Joel
