and Orphanism in Ukraine

Purpose

At Twelve3One Ministries, our purpose is to end spiritual fatherlessness and orphanism in Ukraine by introducing people to their Father in Heaven.

We partner with other ministries, churches, organizations, and ministry leaders serving fatherless children, adults, and families.

By offering financial support and resources we help these boots-on-the-ground ministries achieve their mission and ministry goals and help facilitate and expedite the sharing of the Gospel with the people of Ukraine.
